

ISA KANSAS CITY SECTION SCHOLARSHIP SPONSOR PROGRAM

Background: The International Society of Automation (ISA) Kansas City Section awards scholarship(s) annually to qualified local students enrolled in 2-year and 4-year education programs in automation related fields. Only students enrolled in Universities located in the state of Kansas or Missouri are eligible for this prestigious award. In order to generate more interest among students entering the field of automation, the ISA Kansas City section is seeking annual partners and sponsors for the program.
